Project Description

The new City Court building is now to be used for the combined operations of Municipal & Traffic Courts. The building requires certain modifications to accommodate both functions.

- 1) Build out 2 new court rooms and revise First Appearance Courtroom to accommodate high volume of incarcerated defendants.
- 2) Revise central holding area to handle and pre-court holding areas to accommodate Municipal Court along with Traffic Court detainees.
- 3) Construct enclosed passage way for transport of consolidated court detainees between Corrections Facility to central holding area in new court building at 150 Garnett St.
